CATHAY

Brand Guidelines

© Cathay Pacific Airways Limited

Primary logo - horizontal

Our horizontal logo is our primary logo for Cathay.
The primary logo features the brushwing in Cathay Jade and the wordmark in English only. Horizontal is the preferred logo in all communications.

Bilingual logo

Our bilingual logos are only available in a vertical, stacked version in English and Traditional Chinese.

Usage guidelines:

- Hong Kong & Macau: used for marketing events that target both Chinese and Engish speaking audiences.
- Mainland Chinese and Taiwan: use for international events due to international appeal and media coverage (i.e. Bloomberg, CNN)

For all other communications use Chinese or English logos only.

Incorrect logo usage

To maintain consistency and professionalism, avoid these use of inappropriate alterations to the Cathay or Cathay Pacific logo.

Don’t alter the proportions of the logo.

Don’t change the typeface.

Don’t distort the logo.

Don’t add elements to the logo.

Don’t use different colours for the brushwing and typography.

Don’t use colours other than those specified in this document.

Don’t compromise the legibility of the logo.

Don’t crop the logo, use it in a pattern or as decoration.

Logo use on photographic backgrounds

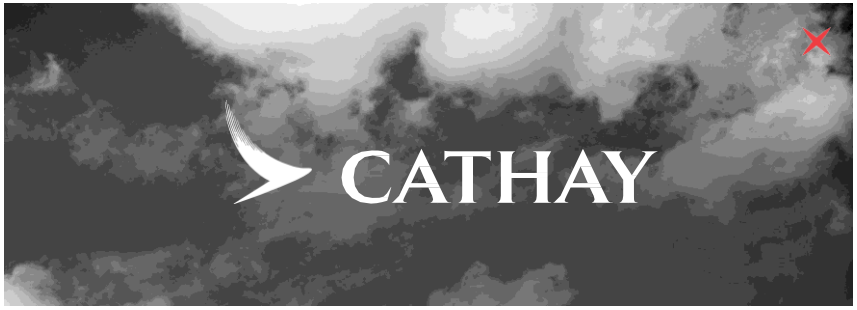

Use the Cathay Jade logo on light backgrounds.

Don’t compromise the legibility of the logo.

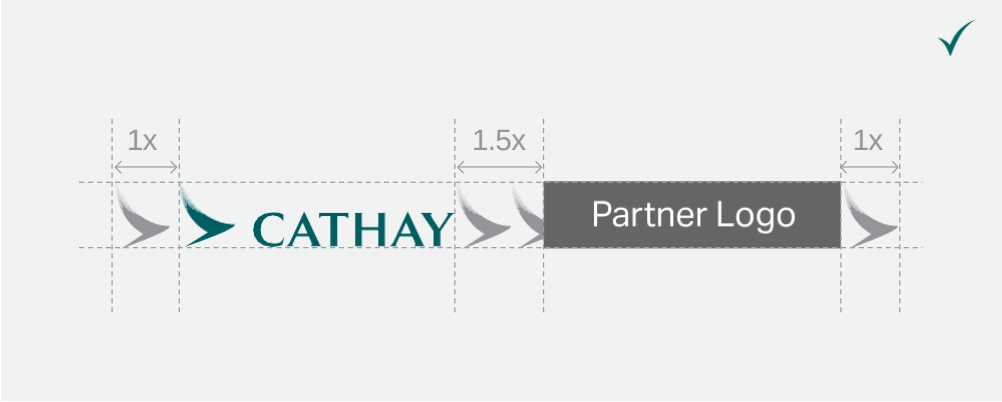

Use the white logo on dark backgrounds.

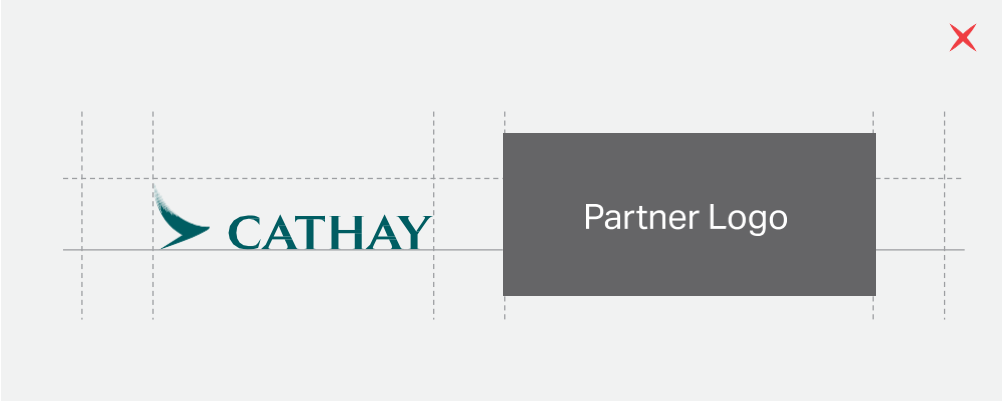

If necessary, retouch background images to improve legibility.

Co-branding

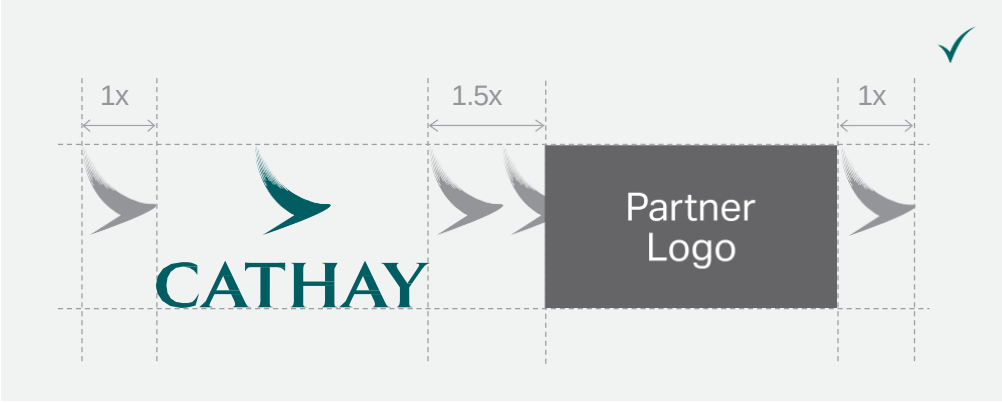

Do’s and Don’ts for co-branding with partner logos

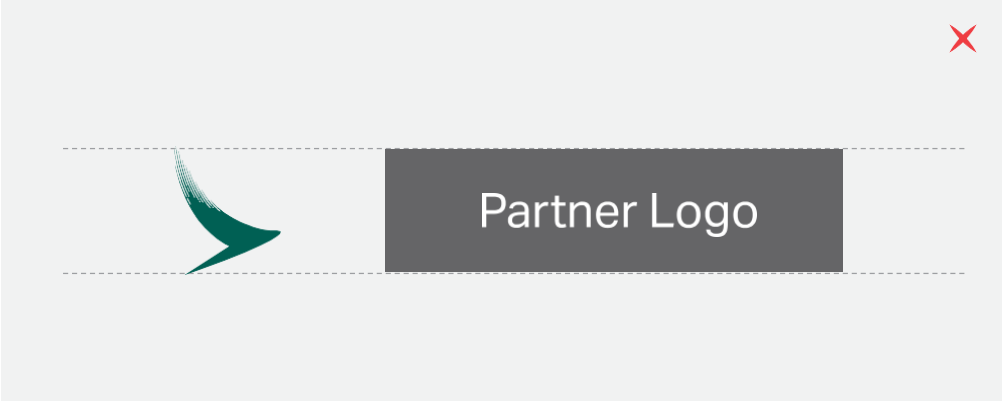

Use horizontal logo and match ‘x’ width to partner logo

Partner logo cannot be larger than Cathay logo

Use vertical logo and match ‘x’ width to partner logo

Always use our full logo, never use just the brushwing
